4 December 1992

INFORMATION CIRCULAR

To: Members of Permanent Missions to the United Nations and members of the staff

From: The Assistant Secretary-General for General Services

Subject: REPAIR WORK IN THE UNITED NATIONS GARAGE

1. The purpose of the present circular is to inform members of Permanent Missions to the United Nations and staff members that, on 4 January 1993, the third phase of the rehabilitation programme for the United Nations Garage will commence. It is expected to be completed by mid-August 1993.

2. During this phase of the garage rehabilitation programme, a portion of the second-basement level of the garage will be repaired.

3. Access to the first- and the south portion of the second-basement levels will be through the 43rd Street entrance only, i.e. through the circle in front of the Secretariat Building.

4. Access to the third-basement and the north portion of the second-basement levels will be through the 42nd and 48th Street entrances only.

5. While construction work is going on, approximately 150 parking spaces will not be available and the number of temporary and daily parking permits that will be issued will consequently be reduced. No new permanent parking permits will be issued in 1993 until after the repair work is completed.
